Life science companies of all sizes benefit.

Here's what our members have to say:

" Our company has been using the BIO-VWR National Program since 2006. Our analysis showed over a 46% savings on lab supplies last year with additional savings on freight, fuel surcharges, hazardous material handling fees, as well as earned cash-back rebates that are also part of the program. We couldn't be happier."

— Lynn M. Cilinski,
Vice President,
Controller & Treasurer
at MacroGenics, Inc.

" With a heavy workload and smaller staff, we really don't have time to research business solutions or shop around. With BIO Business Solutions, the due diligence has been done and the discounts negotiated for us. We now have the same buying power as much larger companies and were able to save about \$30,000 dollars this past year..."

— Karthik Ramachandran,
VP & Founder, Likarda LLC

" The BIO Business Solutions program offers excellent options that help me attain the goal of sparing cash, which drives us successfully to our other goals... It will save you time and money!"

— Keith Murphy,
Founder and CEO,
Viscient Biosciences
