

Florida Benefits from Medtech

New data released by the Advanced Medical Technology Association (AdvaMed) found that the medical technology (medtech) industry is a **critically important employer in Florida and contributes millions of dollars to state revenues and payroll taxes.**

AdvaMed commissioned a new economic research report by Macro Policy Advisors to study the industry's economic impact on states across the country, and **the results were overwhelmingly positive for Florida.**

\$6,090,800
in state revenue

19,200
medtech employees

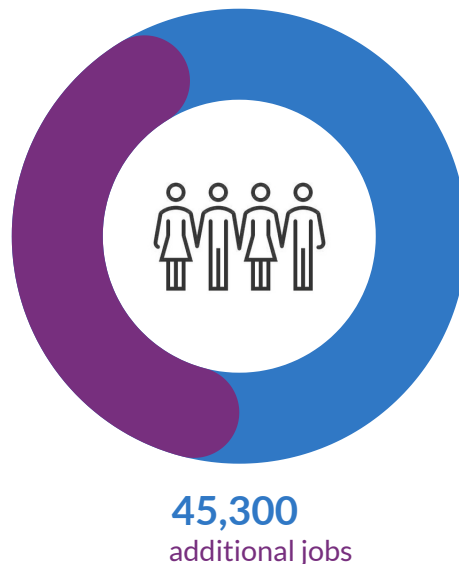

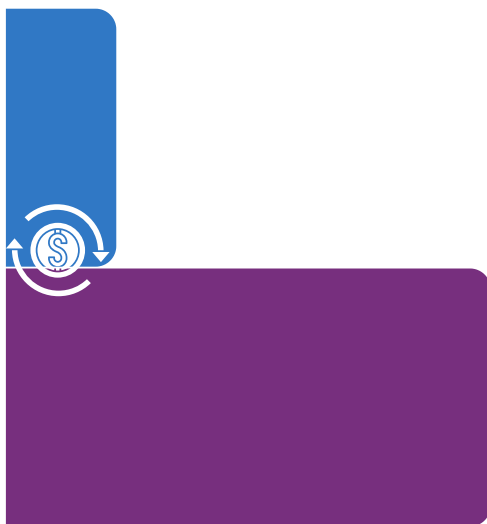

\$1,238,900
in payroll taxes
across the state

As a result of policies that value growth and innovation, medtech revenues generate additional indirect jobs, revenues, and payroll taxes in Florida, including:

\$2,373,000
in additional
payroll taxes

\$10,420,800
additional
indirect revenues
